

**How did the bear escape the human world?**

- 1. Place the 15 blocks with images randomly - shuffle them and place the on the back with the empty square in any place.**
- 2. Start at the bear.**
- 3. The bear must gather at least 2 items, craft 1 tool, talk to 1 wise pet and escape in the empty square. Make sure to gather them in that order.**
- 4. You cannot pass the same square twice.**
- 5. After shuffling and setting all the pieces, you can do 1 switch.**
- 6. You can walk on snow road and flower path multiple times, but you must collect the others and will be taken from the table.**
- 7. Find a path and tell the story of how the bear escaped.**
